

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF OLDHAM COUNTY)	
WATER DISTRICT'S CONDITIONS FOR)	CASE NO. 2003-00330
RECEIVING WATER SERVICE IN ITS)	
WELLHEAD PROTECTION AREAS)	

O R D E R

On August 18, 2003, Oldham County Water District ("Oldham") submitted a tariff setting forth the conditions for receiving water service in its wellhead protection areas. Oldham proposed that the filing become effective on October 1, 2003. By Order dated September 5, 2003, the Commission suspended the tariff for 5 months. Commission Staff issued a data request on January 2, 2004, and Oldham filed its responses on February 18, 2004.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Oldham's responses adequately address the issues raised in Commission Staff's data request.
2. Oldham's proposed conditions for receiving water service in its wellhead protection areas are supported by the evidence submitted with its August 18, 2003 filing and its responses to Commission Staff's data request and should therefore be approved.

IT IS THEREFORE ORDERED that:

1. Oldham's proposed conditions for receiving water service in its wellhead protection areas are approved effective on and after the date of this Order.

2. Within 20 days of the date of this Order, Oldham shall file with the Commission its revised conditions for receiving water service in its wellhead protection areas. The tariff shall show the date of issue and that it was issued by the authority of this Order.

Done at Frankfort, Kentucky, this 27th day of February, 2004.

By the Commission
